Dear Parishioner, sandwiched between Easter and Pentecost, the feast of the Ascension can sometimes tend to be overlooked. It can be hard to make sense of the artistic images we see of Jesus disappearing into the clouds as the disciples stand stare after him. But the Ascension does more than simply mark the culmination of Jesus' earthly life; it opens up for us a path to God. Where Jesus has gone, we hope one day to follow.

As Pope Francis puts it, 'the Ascension does not point to Jesus' absence, but tells us that he is alive in our midst in a new way. He is no longer in a specific place in the world as he was before the Ascension. He is now ... present in every space and time, close to each one of us. We are never alone: the Crucified and Risen Lord guides us.'

It is this very presence of Jesus that gave the disciples, and gives us, the strength for mission. Immediately before he is taken into heaven, Jesus issues his final and most important instruction: 'Go out to the whole world; proclaim the good news to all creation.' And after he goes, the disciples straight away set about the task. Far from being suddenly absent, we are told the Lord is now working with them in a new way. The Ascension is less a loss than a transition, a promise that Jesus will always be with us.
